d. **Neighborhood Councils and Public Funds**

Thanks to the City Attorney's Office, we've been able to recover \$5,000 in public funds after the City took a former Neighborhood Council board member to court for paying his company to perform work for his Neighborhood Council, which is a big no-no. Every board member needs to be aware of how their Neighborhood Council is spending its yearly allocation of public funds and that it is done correctly. When in doubt, please contact our office.

e. **Neighborhood Council Rosters**

The rosters on our website are only as good as the information you provide to us so please let us know asap if there are any changes to your board, including in the Executive Officers. The entire City uses our rosters to keep in touch with you - your stakeholders' representative - so you can advocate for and/or pass the message about planning, safety, homelessness, and etc. issues on to them. Please check your rosters on our website regularly to make sure they are up-to date. Changes can be sent to [rosters@empowerla.org](mailto:rosters@empowerla.org) where we will update our website weekly.

f. **FY 2015-2016 Yearly Allocation**

Neighborhood Councils have a yearly allocation of \$37,000 this year so please make sure your submitted budgets reflect this amount. Council President Wesson has provided an additional \$5,000 in funding this year to Neighborhood Councils. When City Council comes back from recess in August, we will know if there are any restrictions to these funds so you can make any adjustments to your budget once that is clear. We are splitting the \$37,000 quarterly and will transfer \$9,250 each quarter. Any unspent FY 2014-2015 funds in your checking account, which is not held by an outstanding check that was cut by June 30, 2015, will be transferred back to the City within the next 30 days as the proposed Neighborhood Council rollover policy has not been decided by City Council. We will notify your board of the transfer before it happens though.

Reconsideration may take place immediately following the original action or at the next regular meeting. A motion for reconsideration may only be made by a Board member who previously voted on the prevailing side of the original action or decision taken.

**PROCESS FOR FILING A GRIEVANCE:** Any grievance by a Stakeholder must be submitted in writing to the Board of Governors. The Board of Governors shall then refer the matter to an ad hoc grievance panel comprised of 3 Stakeholders who are randomly selected by the Council secretary from a list of Stakeholders who have previously expressed an interest in serving from time-to-time on such a grievance panel. The Secretary will coordinate a time and a place for the panel to meet with the person(s) submitting a grievance and to discuss ways in which the dispute may be resolved. Thereafter, a panel member shall prepare and submit a written report to the Board outlining the panel's collective recommendations for resolving the grievance, no later than two weeks after it has met with the person submitting the grievance. The Board of Governors may receive a copy of the panel's report and recommendations prior to any meeting by the Board, but the matter shall not be discussed among the Board members until the matter is heard at the next regular meeting of the Board pursuant to the Ralph M. Brown Act.

This formal grievance process is not intended to apply to Stakeholders who simply disagree with a position or action taken by the Board at one of its meetings. Those grievances can be aired at Board meetings. This grievance process is intended to address matters involving procedural disputes, e.g., the Board's failure to comply with Board Rules or these Bylaws, or its failure to comply with the City's Charter, the Plan, local ordinances, and/or state and federal law. In the event that a grievance cannot be resolved through this grievance process, then the matter may be referred to the Department of Neighborhood Empowerment for consideration or dispute resolution in accordance with the Plan.
