1. **Call to Order:** 6:20pm
2. **Welcome Remarks and Roll Call:** Rick Rodriguez, Carmen Vaughn, Susana Arreguin Melvin Canas, Raul Claros
3. **Discussion on Outreach Committee Membership:**
  - A. What should outreach committee look like?
    - Rick:** The O.C. should be reaching out to the youth
    - Susana:** The O.C. should assist the PUNC stay in a positive direction, staying away from infighting, instead motivating our community to get involved. PUNC needs to listen to the community's needs.
    - Carmen:** The O.C. should give the community an opportunity to have their voices heard and give the community an opportunity to participate in civic engagement.
    - Melvin:** The O.C. needs to set goals. It should help increase participation, educated the community & develop positive community events. The idea of having a one hour business meeting (still open to the public) and then an open community/townhall style meeting is a good option and idea.
    - Raul:** The O.C. should divide up into the three districts within the PUNC boundaries. Stake holders that we should target are: Block clubs, neighborhood watch, nonprofits, CBO's, public safety, government representatives, churches, parks, schools, business owners, residents, seniors, homeless, home/property owners.

B. Recommendations: Marketing:

Develop friendly flyers & get the email data base for PUNC for email blasts.

Food should be provided for the general meetings.

O.C. needs to identify stakeholders by regions.

PUNC should change the order of public comment.

The number of presenters & agenda items should be limited.

Rotating locations should be discussed for general meetings.

**4. Board Member comments:** none

**5. Public Comments:** none

**6. Adjournment:** 7:38pm
