Paint it Red & Yellow

The PUNC's Quality of Life and Safety Committee is on a mission to have our main street curbs repainted. It's an easy way to beautify our community. We are beginning with Pico Blvd. LADOT has issued seven service request numbers for this task. However, LADOT stated that it may take up to 60 days. PUNC hopes it will be sooner

JOIN PUNC IN COMMUNITY CLEANUPS

Did you know that Pico Union has up to seven community cleanups a month? And every two to three months, PUNC sponsors a mega cleanup with over 100 people participating.

Most take place on Saturdays and start at 8AM. Look at our website's calendar for more information on meeting locations. PUNC wants YOU to join us in keeping Pico Union clean.

A FUN BIT OF HISTORY

PETS IN PICO

PUNC loves pets. Send us photos of your pets and a short one liner about what makes them special. We would like to share this with our readers.
